

Dear Juan Diego Parent,

Think back to the day that you decided to enroll your student at Juan Diego Catholic High School. What was the one thing on your “school wish list” that made you say....”Juan Diego is our school of choice?” If you’re like most parents in our school community, it was because:

- You knew your student would receive an outstanding education in a caring, Christian environment
- You knew that your student would be treated like a real person, by dedicated, compassionate professional educators
- You knew that your student would feel a sense of belonging
- You knew that they would be in a learning environment where they could spread their wings and soar

Over the years, your support and contributions to our Annual Appeal have helped make Juan Diego Catholic High School the outstanding school that it is. Your commitment to our school allows our faculty to help our students grow – whether they are the gifted and talented students needing a rigorous education that pushes the boundary of their knowledge or the struggling but determined students looking to improve their academic skills and learning.

**On November 1 and 2**

Our Juan Diego community will come together for a 36-hour online Annual Appeal giving blitz powered by social media for **#JDGives**

**Our goal for this giving blitz is to raise \$10,000**

Our Juan Diego administration, staff, faculty, fellow parents, alumni, school supporters and students– join me in thanking you for your generous partnership and support. They say it takes a village, but at Juan Diego...we call it “family”.

Sincerely,
